# SUNLIFE

milk-vinegar based ecopaint

## **Satisfies** your needs with regards to:

- energy savings
- ecology
- elimination of heat stress.

## **Solves** your problems with:

- mould
- condensation
- humidity
- application coverage quality.

## **Helps you to**

- carry out efficient and lasting maintenance on your home
- water proof and thermally insulate the terrace of your home and protects the silver lining
- create a waterproof film and drainage covering

**SUNLIFE** was awarded the Gold medal at the 33<sup>rd</sup> International Salon for Invention held in Geneva as well as the Swiss Chamber of Commerce for Italy Trophy awarded for the best Italian invention presented at the Salon.
